

Letter of authorization for BEMER Cyclassics 2023

The bib number can only be collected upon presentation of the registration confirmation with a legible QR code. If you are unable to receive your bib number in person, you can authorize a person to collect them for you. In this case, please fill out the **letter of authorization** below. In addition to this letter of authorization, the representative must present your **original registration confirmation (including a legible QR code)**, a **copy of your identity card/passport** and **his/her identity card** at the accreditation. Please note that the bib number will only be handed over if the letter of authorization provided by us is presented in original at the time of accreditation.

This letter of authorization is not eligible for minor participants, because in accordance with §108 para. 1 BGB (German Civil Code) they must give his/her consent to the accreditation by the legal representative. This consent must be given by the legal representative personally on site. The legal representative must be able to identify himself/herself with identification.
