

Conditions of participation

By bindingly booking your entry slots, you agree to the 9% Processing Fee (ACTIVE fee), which will be added onto the entry fees (€ 79.00 including VAT each). In order to ensure starting block allocation according to their speed, your participants must be registered during registration period 1, which ends on **July 17, 2022**. All participants that register after said date will be allocated to one of the last starting blocks. All booked entry slots that have not been claimed until **August 14, 2022** will be rendered void and are non-refundable. The booked contingent must have at least 10 entry slots; there is no maximum limit. Entry slots per distances are limited and their availability on the preferred distances cannot be guaranteed.

For the free race slot transfer and the change of distance, please contact your personal contact.

Only participants that are not registered for the event may be entered via the corporate program.

It is not permitted to trade with race slots and / or to carry out publicity effective promotion actions. It is also not allowed to charge higher entry fees than the original corporate price. In case of disregard these regulations we reserve the right to exclude participants from the race.
